

WELCOME TO HOMETOWN, USA

Glens Falls is the town we are so proud to call home—and if you're just here to visit, we know you'll love it with the same vigor as we do. Located between Lake George and Saratoga, and in the backyard of the Adirondacks, our town is perfectly situated in Upstate New York. Rich with history, culture, and the arts, Glens Falls is full of surprises.

As you walk downtown, you'll see proof of a hardworking community with deep roots and a dedication to the arts. You'll see shops and cafés with friendly faces and warm welcomes. You'll see a tight-knit community of neighbors, who treat visitors like family, too. And you'll see all the reasons to stay a little longer and come back again and again.

It's Right, Here.

From I-87: Take exit 18 and go east on Main Street for approximately 2.5 miles. Veer right onto Hudson Avenue, toward the hospital. After the hospital, go through the roundabout to Glen Street.
