

WELCOME HOMETOWN, USA

Glens Falls is the town we are so proud to call home—and if you're just here to visit, we know you'll love it with the same vigor as we do. Located between Lake George and Saratoga, and in the backyard of the Adirondacks, our town is perfectly situated in Upstate New York. Rich with history, culture, and the arts, Glens Falls is full of surprises.

As you walk downtown, you'll see proof of a hardworking community with deep roots and a dedication to the arts. You'll see shops and cafés with friendly faces and warm welcomes. You'll see a tight-knit community of neighbors, who treat visitors like family, too. And you'll see all the reasons to stay a little longer and come back again and again.

It's Right, Here.

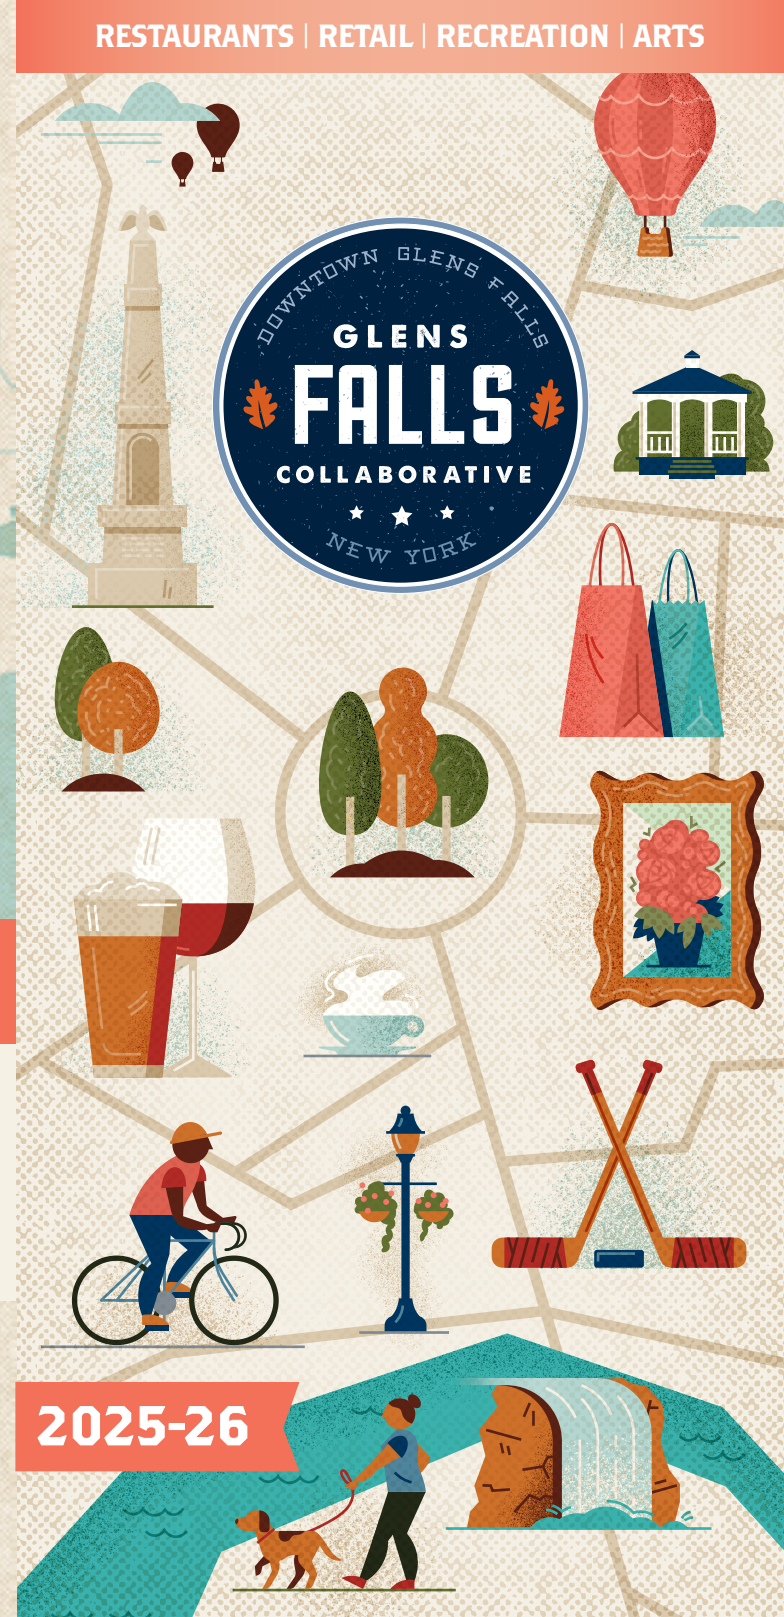

Glens Falls is located off of Exit 18 of I-87—situated within minutes of some of Upstate New York's most popular destinations—Saratoga Springs, Lake George, and the Adirondack Mountains.

Special thanks to our partners, sponsors and members of the Glens Falls Collaborative:
